The world we live in is changing rapidly, and so must we! Never before has an **Accurate Spiritual Posture** towards God and His Word been more important for us than now.

Our lives MUST change and be conformed into the Image of Christ!

Do you desire to become a **spiritually accurate dwelling place** for God? Is your heart's desire to know God our Father and His Word in a more intimate way?

Join us in our quest as we engage in our regular **Apostolic Round Table Dialogue (ARTD)** - rediscovering and redefining the Truth of God's Word for accurate application in everyday life.
